OFFICE 312 SOUTH MAIN STREET.

TUESDAY, JULY 11, 1899.

The horrible kissing bug is slowly making its way westward.

Col. Bryan has promised to make several speeches in Kentucky this year, one of which will be at Mayfield.

Some of the statesmen are already taking pains to prove that they did not blow tin horns at the Louisville convention.

Henry McChesney's paper, the Livingston Banner, says John Grayot, who managed Mack's canvass, is the "second best young politician in Kentucky." Goebel being accorded first place.

The press boys will meet in Henderson to-day and after a session of two days will take a trip to Petoskey. The city will entertain the editors in a most hospitable manner, one pleasant feature being a boat excursion on the Ohio tomorrow night.

The Democratic papers in Edyville and Harrodsburg have put up the party ticket at the head of their editorial pages and there seems to be no further occasion for kicking over the result of a convention in which three men wanted a nomination that only one could get.

Robt. Bonner, the noted publisher of the New York Ledger, but better known as the owner of Dexter, Maud S and many other horses famous in their day, died last week leaving a fortune of \$15,000,000. His newspaper property was turned over to his sons in 1887.

Harry Sommers, good and loyal Democrat that he is, brings his paper into line for the ticket, and advises the friends of the defeated candidates to abide by the results of the Louisville convention. It is no longer a question of candidates. The fight from now on is for or against the accredited representatives of the Democratic party.

Irvin S. Cobb, the traveling correspondent of the Louisville Post, was in town Saturday hunting for Democrats who are still sore over the defeat of Hardin and Stone for the gubernatorial nomination. Cobb is himself a good Democrat and it is safe to bet that his heart is not in the work he has been sent out to do by a paper that has not supported a Democratic ticket in four years.

Right Royally Entertained.

Mr. and Mrs. M. Adams entertained at their beautiful home near the city last Thursday evening, in honor of their guest, Miss Lester Bradshaw, of Trenton. Music was a feature and elegant refreshments were served. The young people spent a very enjoyable evening. There were about twenty couples present on the occasion.

Wedding This Evening.

Mr. S. W. Johnson and Miss Pickford, of Nashville, will be married in the city to-night. The bride is on a visit here.

WHEAT THRESHING.

The Yield is Light But the Grain is Good.

Market Reached 75 Cents Last Week and Some Big Sales Were Made.

Wheat threshing is going ahead with vigor and the weather is all that could be asked. In fact the season is the best ever known and the crop is being saved in prime condition.

The yield as a rule is light, averaging 10 or 12 bushels to the acre. This is due to the partial freeze-out of last winter. Some pretty good yields are reported as exceptions to the rule. Dr. J. D. Clardy had one field of 50 acres that made 31 bushels to the acre. He says the best yield he ever made was 35 bushels to the acre. Mr. J. O. Cushman had a small piece of four acres that made 35 bushels to the acre, the best yield reported so far.

Mr. J. A. Coleman, of Julien, made a general average of 25 bushels to the acre.

Mr. M. A. Mason, of the Square, made 12,000 bushels and has sold half of it at 75 cents and will hold the other half for awhile.

The price on the local market rose to 75 cents on Friday, and was still 75 yesterday.

The mills are buying all that is offered. Many of the farmers are storing in the mill elevators as usual and will be in no hurry to sell.

BORN IN CHRISTIAN.

But Had Lived Over Half Century In Todd.

Mr. John R. Foster, one of the oldest citizens of Todd county, died at his home near Elkton a few days ago, of paralysis. He was born in Christian county, near Pon, in 1819, and was, therefore, 80 years old. He leaves a wife, Miss Maria Wough, of this county, and two daughters.

Omissions Supplied.

In the quarterly statement of the Bank of Lafayette, published in Friday's issue of the KENTUCKIAN, there were several unintentional omissions made by the typo. The items have been supplied in this issue and a careful perusal of the corrected statement is invited. This banking institution makes a most excellent showing, of which its management has every reason to be proud.

Acquitted of Murder Charge.

The examining trial of Mallie Parker, a colored woman of Sebree, charged with the murder of Mrs. Jas. Wedding, of that place, was held at Dixon, last Thursday before Judge Hall and resulted in an acquittal of the woman. It was shown that Mrs. Wedding had given premature birth to twins which caused her death instead of the blows she received at the hands of the Parker woman.

Supply Preacher Secured.

The Baptist church has granted a leave of absence of one month to Pastor Chas. H. Nash, and secured the services of Rev. Reno Downer as supply, who has recently held a pastorate in Durango, Colo.

Mr. Howe's Father Dead.

Mr. Wm. Howe, of Pittsburg, Pa., father of Mr. Jas. M. Howe, of this city, died Friday night aged 91 years. His son left Saturday to attend the funeral.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

MULLENS ACCEPTS.

New President For The Southern Baptist Seminary.

His Selection Gives General Satisfaction to Both Factions in The Denomination.

Dr. E. Y. Mullins has accepted the presidency of the Southern Baptist Theological Seminary. Ex-Gov. Northern, of Georgia, who was sent by the Board of Trustees of the seminary to acquaint Dr. Mullins of the action of the Trustees, has sent telegrams to some of his friends telling them of Dr. Mullins' decision.

Dr. Mullins is known as a broad-minded, liberal man, of deep piety and wide learning, and it is the hope of his churchmen that through him the difference that arose between certain elements of the church will be wiped out.

As a graduate of the seminary, Dr. Mullins is necessarily an admirer and true friend of Dr. Whittitt, whose character is said to have endeared him to all the students brought within the power of his personality, but he is at the same time held in high esteem by those who were most bitter in their opposition to Dr. Whittitt, and it would seem as though his coming would be the one thing needful.

He is expected to visit Louisville within the next ten days in order to look the new field over thoroughly. Before the opening of the next session he will move with his family to Louisville.

COL. HENRY ACCEPTS.

Will Be a Candidate For Representative on the Democratic Ticket.

MESSRS.

F. W. Dabney, H. C. Gant, Walter Garner, A. B. Eckles, J. T. Edmunds, S. J. Samuels, Jno. R. Kitchen, A. M. Wallis, and others

GENTLEMEN:

I am in receipt of your call of July 7th, in which you and others to the number of more than one hundred voters of the Democratic party, call upon me to become a candidate for Representative from Christian county in the next General Assembly, subject to the action of the Democratic party.

Appreciating to the fullest extent the confidence reposed in me and the pledges of support you so kindly offer, I accept the call and will make the race, pledging myself if nominated to use every effort to carry your standard to victory in November.

Very respectfully,
JOUETT HENRY.

Remember our policy is one continual low price every day, and the price stays just the same. No special sales for a day, then prices up. Sometimes you will come and find "we are just out." But we can't help that. Better come early, these values won't last long.
